

# Advocacy Focus Workshop

What does it mean to you as a person with a learning disability, a commissioner, or an advocate?

#### Are you:

 An adult or young person with a Learning Disability?

 A person supporting a family member with a learning disability?

 A person who supports people with Learning disabilities through advocacy?

 A commissioner or service provider with a responsibility for adults or young people with learning disabilities, or Adult Services?

 Are you working in an organisation that supports adults and young people with learning disabilities?

If you can say **YES** to any of these then this event is definitely for you!

The purpose of the day is to bring together all of the people above to explore the theme of advocacy and support.

We will use our own experiences and shared learning from the day to help us:

 Understand if and why we need advocacy.

 What good looks like and the impact it can have on peoples' lives.

On the day we will be having a different type of conversation where each person's contribution is equal and can be made in a way that makes sense to them.

Some of the activities will involve moving around so please wear something you will feel comfortable in.

Please bring your own lunch and if you would like to, a cake or some biscuits for sharing at break times.

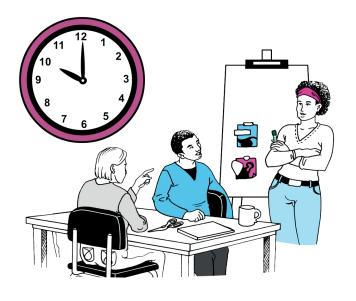

For more information and to book your place at this exciting event, which is taking place at the Ward Hadaway Offices in Leeds, please contact **Philipa Bragman** at **CHANGE**.

## **Workshop times**

#### 9:30am

Teas and coffees

#### 10:00am

Start
